APPLICATION CHECKLIST

- Completed application and fees.
- Record of survey on 18" x 24" sheet.
- Legal descriptions for new parcels.
- Three (3) copies of lot line adjustment plat on 11" x 17" sheets drafted with black ink at a legible scale and stamped by a licensed land surveyor.
- Surveyor verification of closures on all new parcels prior to application submission.
- Recorded Warranty Deed.
- Affidavit of Legal Interest from owner stating applicant is authorized to submit application.
- Written approval from all affected utilities (*if utilities have been installed*).

RECORD OF SURVEY

The record of survey shall include the following:

- Heading and narrative stating purpose of survey.
- Subdivision, lots and blocks affected.
- Existing lot and block numbers. Show new parcel numbers.
- Show and label existing and new property lines.
- Square footage and acreage of new lots.
- Existing easements and proposed easements.
- Abutting road names and rights-of-way, including alleys.
- Existing buildings and new setbacks.
- Signature line for city engineer certification.
